

I SUPPORT THE NEW PLAN FOR AZUSA ROCK

Dear City Council Members,

As an Azusa resident, I urge you to approve the new reclamation plan for Azusa Rock. The new plan will dramatically enhance the appearance of Azusa Rock. It also calls for concurrent reclamation of all current and future mined areas with "micro-benches."

Stand up for Azusa – I urge your support.

Sincerely,

Azusa Rock Project

A Better Tomorrow

PROPOSED PLAN:

- ✓ **RELOCATES MINING TO A LESS VISIBLE AREA**
- ✓ **PROHIBITS THE EXPANSION OF MINING**
- ✓ **REPLACES LARGE BENCHES WITH MORE NATURAL TERRAIN**

The Azusa City Council will soon be considering revisions to Azusa Rock's Reclamation Plan. The revised plan will exchange 80 acres currently approved for mining near Highway 39 with 80 acres that are less visible on the site. Not one additional acre will be mined. And the 2038 mining deadline will not be extended.
